

TAKING CARE OF YOUR EYESIGHT

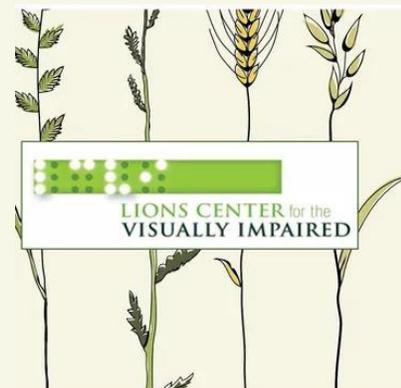

Time: 11:00 a.m. – 12:00 pm.

When: Wednesday, October 20, 2021

Where: Zoom Presentation
(you can also dial-in by phone)

- Are you experiencing problems with your eyesight?
- Are you concerned about a friend or family who shows signs of vision loss?

If you answered yes to either question, we have great news for you!

Discussion will cover early detection and invention, age-friendly eye disease, tools on health, quality of life and much more!
