

## Summary of Pop-up Event #6

### ***Event: Pop-up Event #6: Outreach at San Antonio Christmas Food Distribution Event***

**Location:** San Antonio

**Date/Time:** 12/25/2021 at 11AM to 3PM

**Number of people reached:** 50 English and 50 Spanish OGP flyers (100 total) distributed.

**Description:** An East Oakland Just Cities staff member conducted English and Spanish outreach with other East Oaklanders at a community Christmas event in San Antonio, handing out backpacks with the OGP flyer, groceries, hot meals and housing resources. The East Oaklanders gathered donations from community members to fund the food distribution effort. The Just Cities staff member informed people what the General Plan is and that there will be lots of upcoming engagement events in the next four years. Questions from residents included: If they get involved in OGP, how much time do they need to dedicate? Will different language options be available, such as interpreters, at live outreach events? At the event, there was a need for more Spanish flyers; Children who spoke English accepted English flyers to translate for their Spanish-speaking family members when the Spanish flyers ran out. In future pop-ups (2022), we will ask community members to share issues and solutions and their future vision for Oakland.
