

OAKLAND TOWN HALL: RE-OPENING LIVE EVENTS WEDNESDAY, APRIL 21, 2021 4:30 - 6:00 PM

The City of Oakland's Cultural Affairs Commission, The East Bay Venue Coalition, the Alameda County Healthcare Services Agency, and the Alameda County Public Health Department have come together to present on the latest public health guidelines for in person performances. Our goal for this event is to help artists, performers, and venues begin the re-opening process.

Eileen Ng, Policy Director and COVID Recovery & Workplace Lead for Alameda County Healthcare Services Agency and Ieshia Sheppard, COVID Response: Information and Guidance Branch, Co-Deputy for Alameda County Public Health Department will walk us through the guidelines and respond to the questions submitted in advance as well as questions from the attending community.
