

CLEAN, SAFE, LEGAL WASTE DISPOSAL

Use RV dump stations and mobile pump-outs for human waste disposal.

Only rain down the drain!

Oakland Municipal Code
13.16.070
prohibits pollutant discharge
to the storm drain system.

ADDITIONAL INFORMATION

Follow Clean Water Laws

Protect health, creeks and the Bay:

- NEVER dispose of wastewater/sewage into the street, gutter, or storm drain (**Prohibited by Oakland Municipal Code 13.16.070**)
- Properly dispose of all wastewater/sewage at appropriate disposal locations.
- Do not overfill waste tanks.
- Service tanks periodically to avoid leaks.

Mobile RV pump out services also available for higher cost. Search companies online.
